10 Years of Homey Campaign

Welcome to the 10 Years of Homey Campaign!

This document describes the general conditions and requirements to be eligible for the 10 Years of Homey Campaign, which will run **from May 24 to June 2, 2024**.

How it Works

Customers who bought a Homey Pro or Homey Bridge during the campaign may enter. To participate, customers must send their purchase invoice and the serial number – found on the bottom of each device – of their Homey to 10years@homey.app.

Customers can only participate with every purchase once. Athom selects winners based on the time the submission email is received. Every 10th eligible submission will receive a full refund for the purchased Homey device.
